

TIPPECANOE COUNTY BOARD OF COMMISSIONERS

RESOLUTION NO. 2006-08-CM

**ENDORISING THE ENACTMENT
OF MAJOR MOVES LEGISLATION**

WHEREAS, Tippecanoe County, the Indiana Department of Transportation and other local governments in the community are dependant on funding from the State of Indiana for the provision safe and efficient roads and streets; and

WHEREAS, The Indiana General Assembly is currently considering enactment of House Bill No. 1008, commonly known as the Major Moves legislation, which would establish a "Major Moves Construction Fund" which would provide current funding to the Indiana department of Transportation and distribute essential revenues through the motor vehicle highway account to counties, cities, and towns for the construction of roads and streets; and

WHEREAS, the funding provided by the proposed Major Moves legislation would facilitate completion of the Hoosier Heartland Corridor, replacing the most dangerous stretch of road in Tippecanoe County; completion of the rerouting of US 231, thereby allowing Purdue University to move toward its pedestrian friendly campus and allowing the expansion of West Lafayette and its new sewer lines; and the provision of repairs and infrastructure improvements to US26 and US52 and I-65 which are essential for the health of our citizens and our cities, towns, and county.

NOW, THEREFORE, BE IT RESOLVED, that the Board of Commissioners of Tippecanoe County hereby endorses and encourages the passage of the Major Moves legislation by the General Assembly of the State of Indiana.

PASSED AND ADOPTED by the Tippecanoe County Board of Commissioners, this 21st day of February, 2006.
